Flourishing Families

Flourishing Families

Affluent, middle-aged families earning prosperous incomes and living very comfortable, active lifestyles

- Over two thirds of households consist of married couples with children
- Occupations in management, law, education, administration or science
- Households contain dual earners, resulting in six-figure income
- Leisure activities revolve around family-friendly fun
- Take their families on warm-weather vacations

- Willing to spend their money on their children
- Prime market for toys, sporting goods and digital games
- Receptive to online ads and willing to click on email ads
- Prefer to shop through catalogs and websites
- News-gathering takes place on the Internet
