Young City Solos

Young City Solos

Younger and middle-aged singles living active and energetic lifestyles in metropolitan areas

- Younger and middle-aged singles living in city neighborhoods
- More than 85 percent are unmarried, childless and live alone
- In their 30s, unattached and mostly childless
- Above-average incomes topping \$75,000 a year
- College-educated and have good, white-collar jobs

- Major consumers of media: online newspapers
- Seek a variety of novelty, not mainstream products
- Incentive-driven rather than loyalty program-driven
- Progressive in their values and global in their outlook
- They listen to news talk radio stations and rock music
